

Love Run 5K Jonathan Dickinson State Park Feb 10, 2018

To our community,

We are reaching out to you to ask for donation and support for the The Love Run which is is an annual benefit 5K Run/Walk to raise money for clean water and sustainable education in one of the poorest places in the world, Guatemala. This years race will take place on February 10, 2018, at Jonathan Dickinson State Park.

This is the second year of the Love Run and we hope to create an event that will continue to grow each year so that local families can come together to support a special cause that is greater than themselves.

With the proceeds of the first annual Love Run, we were able to establish a deep bore well in the rural village of Coco Zacappa, Guatemala. This year we would like to expand

Coco's small, one room school to include bathrooms, a kitchen and a playground. Our plans are under way and we know this event will be well attended; we anticipate 500 participants. This will be a professionally timed event by Acuchip Timing with race tech t-shirts and custom designed medals.

Corporate sponsorship is an integral part of putting on a successful event. We would love for you to consider partnering with us. As a corporate sponsor, your donation will be recognized at the event in several ways that have been mapped out in the sponsorship letter attached.

In addition to the sponsorship opportunities and donations, we will gladly accept any donation that you wish to make. Your company may prefer to provide gift certificates, food/beverages or other goods or services which will be raffled to race participants after the race.

Every bit will help us reach our goal. Please remember the more money we raise in sponsorship, the more money we are able to donate to education in the village of Coco Zacappa, Guatemala and the more awareness we raise for the cause.

We would love to discuss partnering with your business. Please call us with any questions you may have.

Best Regards,

Team Love Run
